for Maternal and Child Health  
Trieste Italy

## Call for Expression of Interest

### Dirigente Medico // Dirigente Statistico

WHO Collaborating Centre for Maternal and Child Health, Institute for Maternal and Child, IRCCS Burlo Garofolo, Trieste, Italy

The WHO Collaborating Centre (WHO CC) for Maternal and Child Health, Trieste, invites senior researchers to express their interest for a position of Dirigente Medico or Dirigente Statistico.

The position will be support both ongoing and new research projects at the WHO Collaborating Centre, in particular in the field of quality of maternal, newborn and child health care (QMNC), and will imply managing large Research Networks, drawing on existing activities and collaborations. <sup>1</sup>

Successful candidates will be – or have the potential to become – leading academics in their fields, able to develop research projects, engage in the international academic debate on QMNC, and contribute with tangible academic products to the development of the WHO Collaborating Centre. Excellent knowledge of spoken and written Italian and English will be required. Applications are invited only from highly motivated candidates.

Applicants can send **their CV and expression of interest** to: Prof Marzia Lazznerini [marzia.lazznerini@burlo.trieste.it](mailto:marzia.lazznerini@burlo.trieste.it) , by **May 25, 2024**.

**Note that this is a call for expression interest, not a job vacancy announcement.** The position will be announced according to the Italian regulation for recruitment.

The potential linked position will be either “**Dirigente Medico o Statistico**” (**medical or statistic director**) fixed term (renewable). The salary will be based on the current regulations at IRCCS Burlo Garofolo, Trieste, Italy. The position will be based in Trieste, regulation about smart working will follow the institute regulations.
